Approved SERV Tax Preparation Organizations

<p>What do Tax Volunteers do?</p> <p>From December to May every year a number of SERV approved organizations across the state need professional-level volunteers to assist low income individuals or the elderly in tax preparation, especially for the Earned Income Tax Credit (EITC).</p> <p>Recent data shows that approx. 50% of working adults who live in Boston who qualify for the EITC, aren't aware they should claim the credit, thereby forfeiting a few thousand dollars every year.</p> <p>You would work 1-1 with clients to assist them in completing their tax returns via user-friendly software that does the math for you.</p>	<p>What special skills are required?</p> <p>No special accounting or tax background is required.</p> <p>Volunteers receive free training (approx 8 hours) then pass an online certification test offered by the IRS.</p>	<p>Why should I volunteer?</p> <p>1) You'll help low-income working families.</p> <p>2) You'll be better prepared to do your own taxes</p> <p>3) There's always a shortage of weekday volunteers</p> <p>4) Commitment is only up to one work day a month for several months</p>	
Many non-profit agencies across the state listed below offer their own training.
